

AFRICA CONFERENCE

CAPE TOWN
9-10 MARCH 2027

BRIDGING CONTINENTS FOR SMARTER MOBILITY

The First Intelligent Transport Systems Conference for Africa is hosted in partnership with the City of Cape Town, with ERTICO as the content partner. The event is organised by Innovative Transport Solutions (Pty) Ltd, a member of ERTICO.

Join us at this unique opportunity to engage with senior decision-makers from government, transport authorities, academia and industry through a focused programme of thought leadership, networking and innovation.

With a strong focus on technology, innovation and practical deployment, ITSAC 2027 will explore the latest developments in intelligent transport systems, connected mobility, artificial intelligence, digital infrastructure, traffic management, road safety, public transport innovation and sustainable mobility solutions.

The conference will be delivered in collaboration with ERTICO, creating an international platform for knowledge exchange.
